Mission Statement

Our Mission is to provide the highest quality logistics services while achieving 100% customer satisfaction. The foundation of our success is our dedication to details, and to finding new and innovative solutions to our clients' many diverse requirements. We continually seek to develop new growth opportunities benefiting our clients' international trade. We strive to achieve our goals in a team environment with commitment to continued improvement of external and internal communication. With years of experience and knowledge in logistics industry, we are dedicated to achieving excellence and integrity by strictly adhering to agency policies, directives, processes and procedures in a very competitive world.

Corporate Profile

Since our founding in 2011, Global Shipping Partners has been serving exporters and importers with all their logistics needs. From our beginnings as International Freight Forwarders and Customs Brokers to our development into a world-class, full-service logistics company, our reputation has been built on the values that foster success in International trade and transportation. Our mature staff conducts all business with honesty, urgency, experience and integrity. Today, through our Chicago, IL (U.S.A) headquartered based office and worldwide network of agents; we remain committed to our mission to bring exceptional service and value to our customers through personalized service and continual innovation in communications and technology.

Freight Forwarding

Take advantage of our established, worldwide network of agency relationships. Some of our agents are among the largest NVOCCs in their trade lanes, allowing us to provide you with very competitive rates both exports and imports

- Intermodal, competitive rates and bookings
- Warehouse facility services
- Door-to-door cargo insurance
- Automated export declaration link to U.S. Customs
- Foreign and Domestic inland transportation
- Dangerous Goods, Hazardous materials
- Break bulk and project cargo experience

Trade, Transportation & Logistics Consulting

Valuable advice

We can work with you to identify new efficiencies to give your business a competitive edge. Let us develop a logistics and transportation program tailored to your company's needs – from shipping services to training to logistics management and advise for you and your customers. Overall, we can provide your company with all areas of logistics expertise to ensure that your ultimate customer receives quality service and delivery of your cargo at affordable price. We welcome your inquiries and comments.

Break Bulk, Project, Heavy Lift Transportation

Try Global Shipping Partners for heavy industry projects. We specialize in planning and executing shipments for power generation plants, oil and mining developments and over size out-of-gauge cargo. Dedicated, knowledgeable and highly skilled logistics experts take care of all your logistics and documentation needs. We provide most efficient, safe and reliable solution at an economical price.
